PROFILE: Semi-retired business executive with strong media interests.
Experienced public speaker and raconteur.
Deep, resonant and powerful voice with clear diction.
Tall, extrovert, and charismatic

Media Experience

- Founding Director of new British film company, Brootal Icon Limited, and responsible for producing “New Money, Lush and Irascible” and “Tyke Gooding” for international release
- Photographed in simulated train carriage for large scale street advertising posters of Taylor Walker Mainline beer
- Took part in reality TV programme “What the Butler Saw” as an aristocrat attending formal Whist party in a mansion
- Participated in very recent TV pilot entitled “Naked Bridge” designed to bring Bridge into the public forum
- Introductory voiceover for new website company
- Recorded TV commercial advert for “Mane” – a bespoke hair care treatment
- Recently recorded an e-learning script for a start-up Italian company

Business Experience

- 19 years business experience in recruitment both as a frontline headhunter and as Managing Director of “blue-chip” consultancy
- 21 years in Allied Breweries Limited including 8 years on Board of Taylor Walker Limited with total responsibility for 150 retail outlets in London
